PRESIDENTS ANNUAL REPORT MESSAGE 2019

Our association is showing its age. This year we have lost long time members of the Board of Directors COL Al Diaz, MAJ Ray Edgerly and CWO Lee Carson, as well as CSM George Ichimura who was not a board member but faithfully attended our Board of Directors meetings and was our photographer for many years, and COL Wilfred Ebel. All will be missed. On the positive side we added CSM Gene DiLorenzo, LTC James O'Dowd and COL Don Cavallo. I'm pleased to welcome them to our ranks. If you do the math you see the problem, our roster is shrinking, not growing. In this age of social media and instant gratification do we need to reinvent ourselves to attract more reserve component Soldiers to our ranks?

I'm not a social media user. But in observing my wife and her use of Face Book as well as discussing this with friends I'm beginning to think that this is a tool we need use that will enhance the benefit of membership. We have started to discuss this at the Board meetings and I can see that this is something that we need to develop to be able to connect our membership. As this evolves, we will keep you posted in the Blade of our progress to step into the 21st century world of communication.

Last year I urged you to help us with our fund-raising efforts to ensure that the 63d Infantry Division Association USAR has a place in the new US Army Museum nearing completion at Fort Belvoir, VA. I'm happy to report that our membership stepped up and made donations. I'm also pleased that the Board of Directors authorized the use of our resources to reach the goal assuring that the 63d will be part of the new museum. This donation is consistent with 'Article II. Purpose' of our Constitution which sets out that we are to act "to perpetuate the history and honor of the 63d Infantry Division (WW-II & USAR)". At the Annual Meeting there seemed to be interest in doing more for a greater presence in the Museum. You can still make a donation at:

<https://armyhistory.givingfuel.com/63rd-reserve-association.com>.

This next year will be full of challenges. We need to increase our ranks by bringing in younger Soldiers as well as getting those that we served with who are not members to join. Since our membership is spread out, we need to start to hold meetings in other cities away from LA/Orange county such as San Diego and Phoenix so that those who do not live in Southern California can see the benefit of keeping connected with their Army family. And most important we need to develop a presence in social media to reach more of our potential members.

As a reminder please note on your calendar that next year's annual meeting will be on 19 April 2020. The Board feels that it's time for a new location stay tuned for more details to follow.

2019 Annual Business Meeting Minutes Due: NLT 30 May 2019

(COL WISENBAKER)

The Annual Meeting of the 63rd Infantry Division Association (USAR) took place at Hotel Fullerton on 28 April 2019. The Hotel hosted the gathering in the Crown 1 Room. Beginning at 1100, members began arriving and exchanging greetings. After the Social Hour, President BG Charles Ebner started the meeting at 1215 hours, beginning with an Invocation by COL (CH) Don Forden followed by singing of the National Anthem by Diana Diaz, the daughter of COL Al Diaz. BG Ebner then invited the gathering to the buffet meal, table by table, starting with the table of the Member with the senior Basic Pay Entry Date.

After the meal, the business meeting was called to order at 1310 hours. BG Ebner began by asking attendees to introduce themselves. He started by introducing COL Ben Colcol who introduced the new attendees (COL Don Cavallo and CSM Tony DiLorenzo). Many interesting and entertaining anecdotes were shared by the members.

BG Ebner then explained the challenges facing the organization and in filling openings in the Board of Governors. He also provided a presentation of the "Soldier for Life" program, noting that it paralleled the Marine concept of "Marines for Life", and then distributed actual "Soldier for Life" decals to the membership. Next, COL Jim Wisenbaker proceeded to call for nominations to fill vacancies in the Board of Governors for the next two years. He called for nominations from the floor, followed by questioning Board Members with expiring terms, who all stated they were willing to continue serving. One new volunteer was COL Susan Lee. With no other nominations from the floor, the chair proceeded to a voice vote. The following members were elected to the Board of Governors (for x year term) by acclamation: BG Ebner, COL Wisenbaker, LTC Houghton, COL Colcol, LTC Sweeney, & COL Susan Lee.

Elizabeth Maloney from National Museum of the US Army provided an update on museum construction progress on North Ft. Belvoir, VA. She also described the Association's Plaque in the Veteran's Hall that is the result of our Association's financial support to the museum project. She also noted that the Museum is located near the main highway, where the public can easily access it without having to go through Post Security.

BG Ebner then called for questions or issues from the floor. Subsequently, COL Lydia Collins and COL Bill Reals, conducted the raffles, including the special raffle from Pan Mitchell in honor and memory of both her mother, a US Navy WAVE in WWII, and her husband, LTC Don Mitchell.

COL (CH) Don Forden was called to give a closing Benediction. President Ebner then closed the formal meeting at 1445 hours, releasing the membership for a group photograph conducted by COL Ben Colcol.

Treasurer Report and Publication Updates by LTC Beverley Houghton

Financial Report: as mentioned by our President, we remain financially sound. Our board voted to donate \$2000 to the National US Army Museum. With additional individual donations from members our recognition will increase. Thanks to all the member donations during the year and the generosity of those who attended the lunch, donated drawing items, especially Pan Mitchell and her baskets and bought tickets to win them, we are well over \$7000 at this time. Our next expense will be the printing of the Annual publication which you are reading. We take pride in producing this and being able to mail this to you every year.

Publications: We continue to publish the Blade Newsletter 2 to 3 times a year. We like to be able to share relevant information and updates on members and activities. Let us hear from you! Share what you are doing now so we can publish it for all. If you know of some relevant information that we all should know, pass that on too. Pictures are always good. We hope you are enjoying this year's Annual Report and that you will be able to join us next year. (Articles for the Blade may be sent to: camelady2@gmail.com).

MAJOR RAYMOND HENRY EDGERLY IN MEMORIAL

MAJOR Raymond Henry Edgerly, often called "Ray," was born October 8, 1919, in St. Louis, Missouri. He descended from Judge Thomas Edgerly who arrived at the Oyster River Settlement, New Hampshire from England in 1665. He was the ninth in his line, which included soldiers who fought in every major War in this country's history. Several of his Puritan progenitors arrived with John Winthrop's fleet in 1630.

He was most proud of his grandfather 5 generations ago who stormed the bastion of Louisburg, Nova Scotia with General Pepperell in 1745; of James, his great, great grandfather who served with General John Sullivan in 1776; and of his grandfather Major Henry Clay Edgerly who was wounded at Seven Pines, in 1863, while serving with the Michigan 5th Infantry and later, became the Commanding Officer of the 8th Michigan Cavalry.

Raymond received most of his education in California where his family moved via the old plank road near Yuma in 1926, Parts of the old road can still be seen.

He attended Compton Junior College, where he met Dortha, who was destined to become Mrs. Edgerly in early 1942.

He was an active member of the 40th Division, California National Guard in 1940, and rendered service to the State of California until his unit was federalized in early 1941. He was selected and completed training in battlefield surgery and medical aid at Ft. Bliss, Texas in 1941. He was selected to attend Officer's Candidate School at Abilene, Texas and graduated in July 1942, as a Second Lieutenant, class number one, Medical Service Corps.

In 1943, he was transferred to a Medical unit and served in the North African Campaign. Later, he served with units conducting anti-submarine warfare along the South American Coast. Of his several decorations, the one he was most proud, was his Medical Combat Badge and his claim to have belonged to the Old Brown Shoe Army “before Pearl Harbor.”

He continued his service after the war, as a Reserve Officer, with periods of active duty, until his retirement in 1979, after thirty-nine years of service.

During these years, he was graduated with a Masters Degree in Medical Parasitology from the University of Southern California Medical School and he received a Masters in Public Health Degree from the School of Public Health, University of California, Berkeley.

Between his service in the Army, he managed to serve in three Health Departments, as Deputy Health Officer. These were: Riverside, Los Angeles City and Orange County. He served as a Deputy Health Officer in Orange County until his retirement in 1983.

He served as a Board Member and Treasurer to the Oceanside Manor Home Owners Association for eight years. He was a member of the Carlsbad Genealogical Society; a Life member of the Reserve Officers Association and a Life Member of the 63D Infantry Division Association where he served as a member of the Board of Governors and as Treasurer.

Raymond was a private man, an intellectual who was an avid reader of history, with special interest in the Civil War, science and biography.

(Ray Edgerly Con't)

His family was always his first priority. As their daughter Cynthia grew, he instilled in her his love of gardening and kindness to all creatures. On one occasion, he ordered Preying Mantis eggs so she could watch the eggs hatch and the baby Preying Mantis populated the garden much to the horror of the next door neighbor who was afraid of them.

He assisted, supported and was proud of Cynthia's accomplishments. He transported and waited for her patiently during her numerous hours of orchestra practice. After Cynthia's marriage in 1979, he now had a son-in-law, Peter, whom he dearly loved and leaves our family in his loving care.

Cynthia, now tapped another one her father's interests, the financial world and he began teaching her the advantages and pitfalls of the financial market. Our Family expanded in 1990 with the arrival of our Grand-daughter Jacqueline and then Alexandra in 1996. Ray actually helped name both girls. He also provided them with important advice:

"Excel in all that you do." "You can be or do anything you want to in life." "Don't believe for a minute that being a "girl" puts you at a disadvantage. " " Speak your mind. If you have something to say, say it." "Love all the animals for they are special creatures."

Ray was very proud of his granddaughters. They are both extremely successful and daily follow his advice. They have excelled in school. Jacqui graduated with Bachelors in marketing and is marketing and a Pilate's instructor. She married Derek in 2015. Alli will graduate from Regis University and Nursing program in May. The love of his life, his wife Dortha, passed away in 2011 on April 4, 2011 on their 69th wedding anniversary. Raymond was a dedicated patriot, soldier; a devoted husband, father and grandfather.

Death opened its gates for him. He saluted and walked through to meet his new CO for in his pocket were new orders which were stamped "Top Secret"

SGM George Satoshi Ichimura

George Satoshi Ichimura was born in Los Angeles, California on July 2, 1930. He went to Japan and was there after the war started. We do not have much information on George's life. Some of us served with him and were hoping to put together his life story.

SGM Jere Hyde received a message on his answering machine from George's sister telling us that George had passed.. When he called the number, the sister answered and invited us to a small family get-together at George's home. SGM Hyde emailed the association of George's passing.

Jere was invited to a small family services ...more of a Celebration of Life than a funeral, about 20 family and friends were there I went a love and met his family: I was the only one there from the military. Jere was a friend of George's from the 311th Coscom. He went with George (he acted at NCOIC) to Japan for exercise Yama Sakura, two times to Sendai, and 2 times to Chitose on Hokkaido.

George joined the Association and became a llve Member in December, 2000. He attend the Annual Brunch meetings regularly and always brought his camera. He shared his pictures with the editors of the Annual Report Magazine. His work was so good that the Board of Governors asked him if he would be our photographer. He continued until 2016 when the film lab he was using was closed down. He. Apologized to the Board but he was a film photographer and would not lower himself to using a digital camera.

COL Wilfred “Wil” Ebel

Following a brief hospitalization, Wil Ebel passed away on July 3, 2018 in Corona Del Mar, California. He was 88 years old. A military honors burial took place at the U.S. National Cemetery, Omaha, Nebraska on October 17, 2018.

Wil Ebel served in political appointments in Washington, DC under Presidents Nixon, Ford, Reagan and Bush. President Reagan named him Director, National Cemetery System and Chief Memorial Affairs Director of the Veterans Administration in July 1987. His previous government service included assignments to the Selective Service System as Assistant Director, Deputy Director, and Acting Director; duties as Assistant Executive Officer to President Reagan's Military Manpower Task Force; duties in the Office of the Secretary of Defense as Assistant to the Chairman, Total Force Study, and Project Officer with the Reserve Forces Policy Board; and Assistant Executive Officer to the Chief, Army Reserve. He also served on the staff of President Ford's Clemency Board and was co-author and co-editor of the Board's Final Report to the President, published by the White House in 1976. During the Nixon Administration he was on the staff of the Defense Manpower Commission, a joint White House-Congressional Commission.

He earned a Masters Degree in International Relations from Syracuse University, was a graduate of the Harvard University Senior Managers in Government Program, in addition to the Executive Development Program of The George Washington University. He is also a graduate of the Air War College and the Industrial College of the Armed Forces. As a graduate of the Army War College, he authored numerous articles on politico-military issues for professional military and academic journals and had written chapters for two books published by the National Defense University.

After 37 years of service in the U.S. Army, he retired as a Colonel. He was an active member of many military and patriotic organizations which have specially recognized him, such as The Reserve Officers Association, American Legion, Federal Emergency Management Agency, Veterans of Foreign Wars, Non-Commissioned Officers Association, Military Order of World Wars, Military Order of Foreign Wars, National Guard Association, Senior Army Reserve Commanders Association, and the Reserve Forces Policy Board (OSD).

COL Ebel was awarded 11 military decorations, together with the Department of Army Civilian Distinguished Service Medal, the Department of Veterans Affairs Exceptional Service Medal, and two Selective Service Distinguished Service Medals. Based upon this Christian gentleman's exceptional generosity and magnanimous deportment, he was invested into four international Orders of Knighthood: the Templars, Saint Lazarus, Saint John, and St. Constantine the Great.

Wil Ebel was buried with military honors , October 17, 2018 at the Omaha U.S. National Cemetery, Omaha, Nebraska. Please pray that his soul and the souls of all the faithful departed may rest in eternal peace.

COL Alfred M. Diaz

Col. Alfred M. Diaz, U.S. Army (Retired) was a life member of ROA. Our National headquarters sent out this remembrance to our members. Throughout his life of service with ROA, he served on various committees; but he was best known for his role as chairman of the resolution committee and as Army Vice President. Al could always be counted on for two things: his commitment to ROA, demonstrated by faithful attendance at conventions and conferences, and by keeping everyone straight on Robert's Rules of Order, of which he was a master. When it came to briefing the resolution committee results during ROA general assemblies he did not believe in taking any more time than necessary. This approach became a popular feature of the last day of the conference.

In a letter to Colonel Diaz's beloved wife, Martha, ROA's national chaplain, retired Army Reserve Col. Sherman Reed, wrote, that Al's "compassion and caring actions as well as his attention to detail, made him a valuable asset to ROA and its affiliate. . . . He was a genuine American hero."

We will miss Colonel Al Diaz's unwavering support of ROA, his sense of humor, his sharp wit, and his dedication to fellow members of the Reserve Components!

Colonel Dias was the Vice President of the 63rd Infantry Division at the time of his passing. He served as President from 2006 to 2009. He also served on the Board of the 63rd Infantry division WWI until it closed in 2014.

Chief Warrant Officer Four Layland Carson

By LTC Beverley Houghton USA (ret) and read at his memorial service.

On behalf of ROA and the 63rd Infantry Division USAR organization members who knew Chief Warrant Officer Four Layland Carson but are not able to be here today, I convey condolences.

He was a life member and actively involved in to both of these military organizations. I recall the many times he drove long distances to attend ROA chapter meetings on a regular basis. He was membership chairman of the 63rd association for many years and kept our membership roster until his health prevented him from continuing. Or perhaps it was the battles he was having with his computer. He paid attention to detail. Anytime he would get a membership check in the mail, he would of course forward it to me as treasurer but he would call me too, so I would know to look for it. When he was no longer able to attend our board meeting lunches at Marie Callenders, he was very much missed. He was always a soldier.

Thank you Lee, for your service.
